About London Real

Founded in 2011, we are an independent global media company with an online platform with over 500 million views on YouTube and over 5,000,000 subscribers viewing our content across all channels weekly. We have recorded over 1000 interviews with some of the most influential and inspirational people in finance, technology, science, sports, entertainment, politics, and wellness. Our Academy courses incorporate the most powerful wisdom from our diverse guests on London Real as well as promoting financial freedom through DeFi.

At London Real, our mission is to transform humanity into a fully empowered, conscious, and cooperative species. We are a lean, agile and very ambitious organisation focused on continuous improvement in our products, content, and our processes.

Main Purpose of Role

London Real is seeking to appoint an experienced Documentary Filmmaker who will be responsible for helping the brand continue to create full length documentary films about our activities and adventures over the past years. Focusing on developing high production quality documentaries that help illuminate our incredible story, the Documentary Filmmaker will be involved in all aspects of the filmmaking from scripting, creating, editing, and postproduction.

We have a distinctive style of filmmaking which combines archival footage, voiceovers, and new shots in order to create a compelling, didactic narrative, which have been watched tens of millions of times by our YouTube and website audiences.
